Subject: Motion For Dismissal

Dear Ms. Boyd,

I am against the Motion For Dismissal filed by Utilities Inc./Tega Cay Water Service(UI/TCWS) against my Petition. The Petition was made in good faith in expectation that my grievance would be heard. The customers of TCWS have suffered through years of unacceptable service. They certainly expect to pay for services that the company performed, but the customers of TCWS paid substantial rate increases to resolve sewage spills into our lake and community, and since those issues remain and have increased in frequency and volume, I feel we were defrauded of what we paid to fix those problems and request my grievance be heard.

Tega Cay has the support of the community, many state senators and representatives, and our local government. The terrible practices of TCWS have gone on for too many years to deny us our right to be heard.

I only wish our "day in court" so to speak and the right to present my valid reasons for the Petition I filed.

Thank You,

Linda Stevenson
